ABOUT CIFA

The Council of Infrastructure Financing Authorities (CIFA) is a national community of finance, water and infrastructure professionals that work together to fund water infrastructure that protects public health and the environment.

Members

- Clean Water and Drinking Water SRFs in 50 States
- Financial Service Providers (banks, financial advisors, underwriters, bond counsel)
- Planning and Engineering Firms

Why Sponsor?

- Demonstrate corporate support for the Clean Water and Drinking Water State Revolving Funds (SRFs).
- Develop relationships with state and federal leaders who are implementing SRFs and public financing for water infrastructure.
- Gain unparalleled access to decision-makers of the Clean Water and Drinking Water SRFs.
- Connect with SRF managers and staff from around the nation.
- Get insight into how each state-run SRF moves projects through their pipeline, from concept to construction.
- Build your brand within the SRF community with an online and onsite presence.
